VOLUNTEER SPOTLIGHT - FRED WEBER

"I feel Love INC is a needed & worthwhile ministry because it's purpose is to assist those in need while sharing the love of Christ. Love INC serves our local community & through serving I became much more aware of the often-overlooked needs of many people right here in Medina County."

"I have volunteered in our furniture ministry, assisted in teaching programs, fund raisers, met with church boards, and given presentations to local organizations in Medina County. One of my most enjoyable times was meeting with various families in Brunswick after a fire that left many in difficult circumstances. This past summer, considering the unrest in America, we decided to reach out in support of our Police & Fire Departments. Simply meeting briefly with whoever was available & expressing our communities support for their very difficult jobs was especially gratifying."

"Serving on our Love INC Board has been a joy as I was privileged to work with fellow dedicated Christians whose only desire was to help others. I have also witnessed firsthand the miracles the mighty hand of God has provided in so many ways over and above the financial aspects." Fred Weber
